

Tunes by Nigel Gatherer

Slogans and Faith (Nigel Gatherer)

The Redcoats gaed doon on yin knee,
And held their muskets ready.
Their bellies ticht wi' breid and cheese,
Their haunds sae warm and steady.
Oor Hieland men upon them cam,
Their rags aboot them barely.
Wi' slogans an faith
They met their death,
They starved and died
For Chairlie.
